

Dear Parents/Guardians,

We, the PTA of Helman Elementary School, would like to take the opportunity to inform you of the PTA (Parent Teacher Association) enrollment. Membership cost is \$10.00. Your membership is crucial to the support we provide to the students and teachers at Helman in various aspects of the school environment. The PTA funds numerous school events and activities such as: OBOB (Oregon Battle of the Books), spending accounts for each classroom, grants to teachers for special classroom projects, and the Helman Hoedown, our free community dinner. It is a worthwhile association and we depend on the parents and teachers to keep us functioning.

Simply complete the form below and return it with \$10.00. Our meetings are held the second Tuesday of every month in the multi-purpose room at 6:00. Childcare and a light snack is provided.

Thank you,

Your Helman PTA Board
